WELCOME TO JUNE'S

Tucked into a familiar Main Street spot, June's Café is the newest addition to a long line of local legends—once a tailor shop, hardware store, judge's office, and later, hometown hangouts like Dante's Inferno and Rocky's Burgers.

Now, Deb and Michael McCluskey (the duo behind Lil's, Stella's, and The Islander) are bringing their cozy, community-first vibe to Newmarket. At June's, you'll find fresh food, good coffee, and that easygoing feeling of being right where you're supposed to be.

We're here for the everyday catch-ups, the just-passing-throughs, and the regulars who feel like family. Let's keep the story going.
